

Terms of Service & Privacy Policy — Rollout

To: Haseeb · From: Ghulam · Drive247 · 6 August 2026

What this is

Drive247's platform Terms of Service (the contract between Cortek Systems Ltd / Drive247 and the rental businesses who subscribe to the Platform) has been rewritten and is going to our solicitor for final sign-off. The full current draft is attached as Appendix A below. Two things in it are deliberately left as bracketed placeholders — [Governing Law Jurisdiction] / [Venue] in Section 34, and [Privacy Policy URL] in Section 17 — those are pending the solicitor and a Privacy Policy document that doesn't exist yet. Leave them alone.

This memo is the engineering side: what actually needs to change in the codebase so this document — and a Privacy Policy — are properly presented to and accepted by tenants. Right now, neither is.

Current state — what's already in the codebase

A few things worth knowing before touching anything:

Location	What's there today	Issue
apps/web /terms (marketing)/terms/page.tsx	Static "Terms of Service — Drive247" page	Different content from the portal's own /terms — two documents both claiming to be the platform ToS
apps/portal /terms (auth)/terms/page.tsx	Static "DRIVE247 PLATFORM TERMS OF USE" page	A different, more detailed document than web's — duplicate source of truth
apps/web /privacy	Static placeholder privacy policy	Not yet the real, drafted policy
apps/portal /privacy-policy linked from policy-acceptance-gate.tsx	Route does not exist	Dead link — 404 today
Tenant subscribe flow SubscriptionGateDialog → PricingCard → create-subscription-checkout	Direct "Subscribe" / "Start Trial" button, no gating	No ToS/Privacy checkbox anywhere in the only moment a tenant actually commits to paying

Also worth knowing: there is no self-serve tenant signup form anywhere in the app. Tenants are created by staff (`apps/admin` `CreateTenantDialog` / `SalesOnboardingDialog`), and the first moment a tenant business itself takes an action that should require ToS/Privacy acceptance is when they click Subscribe in the portal.

What to build

1. **Pick one canonical Terms of Service page and retire the other.** Recommend `apps/web/src/app/(marketing)/terms/page.tsx` as the public canonical URL (`drive-247.com/terms`) — it's already footer-linked from both `apps/web` and `apps/booking` . Replace its content with Appendix A once the solicitor signs off. Either redirect the portal's `(auth)/terms/page.tsx` to the canonical URL, or delete it and repoint `policy-acceptance-gate.tsx` 's link.
2. **Fix the dead `/privacy-policy` link** in `policy-acceptance-gate.tsx` — point it at wherever the real Privacy Policy ends up (most likely `apps/web` 's `/privacy` , once that page has real content — see Open Items).
3. **Add the acceptance checkbox where it actually belongs** — right before the Subscribe/Start Trial action fires in `apps/portal/src/components/subscription/pricing-card.tsx` (used by both the `subscription-gate-dialog.tsx` modal and the full-page `/subscription` route). A single checkbox: "I agree to the Terms of Service and Privacy Policy," with each word hyperlinked to its own canonical page. Block the button until it's checked.
4. **Record the acceptance server-side.** Add new columns to `tenants` — e.g. `platform_tos_accepted_at` (timestamp) and `platform_tos_version` (text) — set inside (or immediately before) `create-subscription-checkout` once the checkbox is confirmed. This is a *new* mechanism — see below, don't reuse the existing one.
5. **Footers need no work.** `apps/web/src/components/layout/footer.tsx` and `apps/booking/src/components/Footer.tsx` already link `/terms` and `/privacy` — just make sure they end up pointing at the canonical pages from step 1–2. `apps/portal` and `apps/admin` have no public footer (internal dashboards), so nothing to add there.
6. **Leave every bracketed placeholder in Appendix A exactly as written** — don't fill in Governing Law, Venue, or the Privacy Policy URL yourself. They're pending the solicitor and Ghulam.

Don't confuse this with `policy_acceptances`

There's already an unrelated system in the codebase: `policy_acceptances / check-policy-acceptance / policy-acceptance-gate.tsx`, driven off `tenants.terms_version` and `tenants.privacy_policy_version`. That one makes **portal staff** re-accept **the tenant's own** customer-facing policy on login — a different actor (an employee, not the operator business) accepting a different document (the tenant's own CMS-managed policy toward their renters). It is not the same thing as an operator accepting Drive247's platform contract, and it shouldn't be reused or extended for this — build the new `platform_tos_accepted_at` mechanism from step 4 separately.

Open items — not yours to solve

- Privacy Policy document doesn't exist yet — Ghulam will get this drafted separately.
- Governing Law jurisdiction + venue (Appendix A, Section 34) — pending the solicitor.
- Final canonical Terms of Service URL — confirm with Ghulam before shipping step 1.

Appendix A below is the source of truth for copy. Please don't edit the legal wording directly — if something looks like a typo or doesn't make sense to implement, flag it back to Ghulam rather than fixing it inline.

DRIVE247

TERMS OF SERVICE

Software Platform for Independent Vehicle Rental Operators

DRAFT — FOR ATTORNEY REVIEW

This document has been prepared for Cortek Systems Ltd, operating as "Drive247," as a working draft. It must be reviewed and finalized by a qualified attorney licensed in the applicable governing-law jurisdiction before it is published or presented to customers as binding.

Effective Date: [Insert Date of Publication]

Last Updated: 6 August 2026 (draft)

1. Introduction

These Terms of Service (the "Terms") form a binding legal agreement between Cortek Systems Ltd, operating as "Drive247" ("Drive247," "we," "us," or "our"), and the rental business entity identified during account creation ("Customer," "you," or "your"). These Terms govern access to and use of the Drive247 software platform, including its website, web application, application programming interfaces (APIs), and all related tools and services (collectively, the "Platform").

By creating an account, subscribing to the Platform, clicking "I Agree," or otherwise accessing or using any part of the Platform, you confirm that you have read, understood, and agree to be bound by these Terms and by our Privacy Policy, which is incorporated into these Terms by reference. If you do not agree to these Terms, you must not access or use the Platform.

If you are entering into these Terms on behalf of a company or other legal entity, you represent that you have the authority to bind that entity, in which case "Customer," "you," and "your" refer to that entity.

2. Definitions

PLATFORM means the Drive247 software-as-a-service product, including all associated websites, applications, APIs, integrations, and documentation, as may be updated by Drive247 from time to time.

CUSTOMER means the vehicle rental business (or individual operating one) that registers for and subscribes to the Platform. Drive247's product and marketing materials may refer to Customers as "operators" — that usage is descriptive only and does not alter the defined term used in these Terms.

RENTER means an individual who rents a vehicle from a Customer using the Platform.

CUSTOMER DATA means all data relating to Renters, bookings, rentals, vehicles, and related records that a Customer submits to, or that is generated within, the Platform.

SUBSCRIPTION means the paid plan selected by a Customer to access the Platform.

THIRD-PARTY SERVICES means services provided by parties other than Drive247 that integrate with or are accessible through the Platform, including payment processors, insurance providers, identity verification providers, e-signature providers, and communications providers.

CONTENT means text, data, software, images, and other material made available through the Platform, whether provided by Drive247, a Customer, a Renter, or a third party.

3. About Drive247

Drive247 is a cloud-based software platform designed for independent vehicle rental businesses operating within the United States. The Platform provides tools including, without limitation, booking management, fleet management, customer relationship records, digital rental agreements, identity verification integrations, payment integrations, insurance integrations, artificial-intelligence-assisted administrative features, reporting and analytics, workflow automation, and website management.

Drive247 is a software provider only. Drive247 is not a vehicle rental operator, insurance company, insurance broker, payment processor, financial institution, law firm, legal adviser, or compliance consultant, and is not a party to any rental agreement, insurance policy, or payment transaction entered into by a Customer or Renter.

4. Eligibility

By using the Platform, you represent and warrant that: (a) you are at least 18 years of age; (b) if registering on behalf of a business, you have full legal authority to bind that business to these Terms; (c) the information you provide during registration and thereafter is accurate, current, and complete; and (d) your use of the Platform, and your rental business generally, will comply with all applicable federal, state, and local laws and regulations.

5. Accounts

You are responsible for maintaining the confidentiality and security of your account credentials, for restricting access to the Platform to authorized users within your organization, and for all activity that occurs under your account, whether or not authorized by you. The Customer is responsible for all actions taken by its employees, contractors, and

authorized users through the Platform, and may not rely on the acts or omissions of any such individual as a defense to its obligations under these Terms. You must notify Drive247 promptly at support@drive-247.com if you become aware of any actual or suspected unauthorized access to, or use of, your account.

6. Subscription & Billing

6.1 Billing in Advance. Subscription fees are billed in advance on a recurring basis (monthly or annual, as selected). Your first period's subscription fee is payable during onboarding, before Platform access is granted, unless otherwise agreed in writing by Drive247.

6.2 Auto-Renewal. Unless cancelled in accordance with these Terms, your Subscription will automatically renew at the end of each billing period using your saved payment method, at the then-current price for your plan.

6.3 Taxes. Fees are exclusive of applicable sales, use, VAT, or similar taxes, which will be added to invoices where required by law.

6.4 Price Changes. Drive247 may revise Subscription pricing from time to time. Drive247 will provide reasonable prior notice of any price increase before it takes effect on your account, and continued use of the Platform after that date constitutes acceptance of the new price.

6.5 No Proration on Downgrade. Except as required by law or expressly stated at checkout, fees are non-refundable, including where you downgrade your plan or use the Platform for only part of a billing period. Except where required by applicable law, no refunds or credits will be issued for partial billing periods, unused Subscriptions, or cancelled accounts.

7. Failed Payments

If a payment cannot be collected, Drive247 may retry the charge, restrict certain Platform functionality, and/or suspend or terminate your access to the Platform until payment is received. Suspension of access does not relieve you of your obligation to pay all outstanding fees.

8. Customer Responsibilities

The Customer is, at all times, solely and exclusively responsible for: accepting or rejecting any rental request; verifying the identity, driving license, and eligibility of Renters; confirming that adequate insurance coverage is in place for each rental; inspecting, maintaining, and ensuring the roadworthiness of vehicles; setting and communicating pricing; collecting and remitting applicable taxes; complying with all applicable federal, state, and local laws (including consumer protection, licensing, and rental-specific regulations); resolving disputes with Renters; and otherwise operating the Customer's rental business.

Drive247 never approves rentals, authorizes the release of a vehicle to a Renter, verifies a Renter's suitability to rent or drive a vehicle, or guarantees the accuracy of any information displayed on the Platform. Any tool, workflow, or output that appears to facilitate these decisions is provided solely to assist the Customer's own independent judgment, and does not substitute for it.

9. Bookings & Rental Decisions

Automated workflows within the Platform (including but not limited to booking confirmations, pricing calculations, availability checks, and rules-based flags) are administrative and informational only. They do not constitute an operational approval, a legal opinion, or professional advice of any kind. Customers must independently verify all relevant information before releasing a vehicle to, or entering into a rental agreement with, a Renter.

10. Insurance

Insurance products made available through or in connection with the Platform (including third-party integrations such as Bonzah or Inshur, where applicable) are supplied by independent, licensed insurance providers who are not affiliated with Drive247. Drive247 is not an insurer, insurance broker, managing general agent, or underwriter. Drive247 accepts no responsibility or liability for underwriting decisions, policy terms, coverage determinations, premium calculations, or claims handling, all of which are the sole responsibility of the relevant insurance provider and the Customer.

11. Payment Processing

Payments made through the Platform are processed by independent, third-party payment processors (including Stripe and its affiliates). Drive247 does not receive, hold, custody, or control Renter or Customer funds at any point, and is not a party to the underlying payment transaction. Drive247 is not responsible for payment disputes, processing delays, declined transactions, chargebacks, or any acts or omissions of a payment processor. Customers are responsible for complying with the terms of service of any payment processor they use.

12. Third-Party Integrations

The Platform may integrate with, or provide access to, Third-Party Services, including Stripe, identity verification providers, e-signature providers, telematics and vehicle-tracking providers, communications providers (including SMS and WhatsApp messaging providers), artificial-intelligence services, and other third-party systems. Drive247 does not control, and is not liable for, the availability, performance, accuracy, security, or business practices of any Third-Party Service, including outages, API changes, pricing changes, or discontinuation of any Third-Party Service. Your use of any Third-Party Service is subject to that provider's own terms and policies. Drive247 does not guarantee that any specific third-party integration (including, without limitation, Stripe, Bonzah, Inshur, Tesla, or WhatsApp) will remain available throughout the term of a Subscription.

13. Electronic Signatures

The Platform provides electronic signature tools for the convenience of Customers in generating and executing rental agreements and related documents. Customers are solely responsible for ensuring that documents generated or executed through the Platform satisfy the legal requirements applicable to their business and jurisdiction, including requirements relating to the enforceability of electronic signatures.

14. Generated Documents

The Platform may automatically generate rental agreements, invoices, receipts, reminder messages, emails, SMS messages, and other AI-assisted or template-based content based on information supplied by the Customer (collectively, "Generated Documents").

The Customer is solely responsible for reviewing all Generated Documents before relying on them, issuing them to a Renter or any other third party, or making any operational, financial, or legal decision based on them.

Drive247 does not warrant that any Generated Document is legally compliant, accurate, complete, or suitable for any particular purpose, and no Generated Document constitutes legal, tax, or compliance advice. Generated Documents that use artificial intelligence are additionally subject to Section 20 (AI-Assisted Features).

15. Identity Verification

Identity verification and document-authentication tools available on the Platform are provided to assist Customers in their own decision-making process. Drive247 does not guarantee the identity of any individual, the authenticity of any document, or the suitability of any Renter to rent or operate a vehicle. Customers remain solely responsible for their own verification and acceptance decisions.

16. Customer Data

As between Drive247 and the Customer, the Customer retains all ownership rights in Customer Data. By submitting Customer Data to the Platform, the Customer grants Drive247 a limited, non-exclusive, worldwide license to host, store, process, transmit, and display such Customer Data solely as necessary to provide, maintain, secure, and improve the Platform, and as otherwise permitted under these Terms and our Privacy Policy. The Customer represents that it has all necessary rights and consents to submit Customer Data to the Platform and to permit Drive247's use of that data as described in this Section.

17. Privacy

Personal information submitted to or collected through the Platform is processed in accordance with our Privacy Policy, available at [Privacy Policy URL], which is incorporated into these Terms by reference. Customers remain responsible for their own compliance with applicable privacy and data protection legislation (including, where applicable, state privacy laws) with respect to Customer Data they collect, use, and share via the Platform.

18. Intellectual Property

All software, source code, object code, designs, user interfaces, documentation, trademarks, logos, and other intellectual property comprising or relating to the Platform are and remain the exclusive property of Drive247 or its licensors. No rights in the Platform are granted to the Customer except as expressly set out in Section 19 (Licence to Use the Platform).

19. Licence to Use the Platform

Subject to the Customer's compliance with these Terms and payment of applicable fees, Drive247 grants the Customer a limited, non-exclusive, non-transferable, non-sublicensable, revocable licence to access and use the Platform solely for its own internal vehicle rental business during an active Subscription. No other rights are granted, whether by implication, estoppel, or otherwise, and this licence terminates automatically on expiry or termination of the Subscription.

20. AI-Assisted Features

The Platform may include features that use artificial intelligence or machine learning to generate suggestions, summaries, pricing recommendations, or other outputs ("AI Features"). AI Features may evolve over time and may include generative AI, predictive models, workflow automation, and decision-support tools. AI Features are provided for informational purposes only, may contain errors or inaccuracies, and must be independently reviewed by the Customer before being relied upon. The Customer remains solely responsible for all business, pricing, operational, and legal decisions made using or informed by AI Features.

21. Acceptable Use

You must not, and must not permit any third party to: (a) misuse the Platform or use it for any unlawful purpose; (b) upload or transmit viruses, malware, or other malicious code; (c) scrape, crawl, or extract data from the Platform other than through supported APIs; (d) reverse engineer, decompile, or attempt to derive the source code of the Platform; (e) circumvent or attempt to circumvent any security or access-control measure; or (f) use the Platform to harass, defraud, or infringe the rights of any third party.

22. Fair Usage

Subscriptions are intended for ordinary use by a single rental business in the operation of its own fleet. Drive247 may monitor Platform usage and may throttle, suspend, or charge additional fees for usage that, in Drive247's reasonable judgment, is excessive or abusive, including without limitation: (a) API call volumes materially exceeding normal usage for a business of the Customer's size; (b) automated, scripted, or bot-driven interaction with the Platform outside supported integrations; (c) data storage materially exceeding reasonable operational needs; (d) SMS, email, or WhatsApp message volumes materially exceeding ordinary rental-communication needs; or (e) any use that degrades Platform performance or availability for other customers. Except where immediate action is necessary to protect the Platform or other customers, Drive247 will provide reasonable notice and an opportunity to remedy excessive usage before restricting access.

23. White-Labeling & Reproduction

The Customer may not copy, reproduce, reverse engineer, resell, sublicense, white-label, rebrand, or otherwise make the Platform, or any substantial part of its functionality, design, or underlying technology, available to any third party, whether for commercial purposes or otherwise, unless expressly authorized in writing by Drive247. This restriction is in addition to, and does not limit, the restrictions in Section 21 (Acceptable Use).

24. Platform Availability

The Platform is provided on an "as available" basis. Drive247 may perform scheduled or emergency maintenance, update, add, or remove features, or otherwise change the Platform at its discretion. Drive247 does not guarantee uninterrupted or error-free operation of the Platform and will have no liability for any unavailability, subject to Section 30 (Limitation of Liability).

25. Support Services

Drive247 provides Customer support on a commercially reasonable basis through the channels made available from time to time (including in-Platform messaging and email). Drive247 does not guarantee any specific response time or resolution time unless expressly

agreed in a separate written agreement (for example, a service-level agreement). Support does not include custom software development, business or operational consultancy, legal advice, accounting or tax advice, or insurance advice, and nothing provided as part of support should be relied upon as such.

26. Security

Drive247 maintains commercially reasonable administrative, technical, and physical safeguards designed to protect the Platform and data processed through it. No system can be guaranteed to be completely secure, and Drive247 cannot and does not guarantee absolute security. Customers are responsible for maintaining the security of their own credentials, devices, and networks used to access the Platform.

27. Suspension & Termination

Drive247 may suspend or terminate your access to the Platform, in whole or in part, immediately and without prior notice, if: (a) you breach these Terms; (b) Drive247 reasonably suspects fraud or abuse; (c) payment cannot be collected as described in Section 7; (d) continued provision of the Platform to you would create a security risk to Drive247 or other users; or (e) required to comply with applicable law. You may cancel your Subscription at any time through the Platform or by contacting support@drive-247.com; cancellation will take effect at the end of the then-current billing period and does not, except as required by law, entitle you to a refund of fees already paid.

28. Data After Termination

Upon termination or cancellation of your account, you are responsible for exporting any Customer Data or other records you wish to retain, using the export tools available on the Platform, before the effective date of termination. Following termination, Drive247 may retain your data for a limited period as required for legal, accounting, or legitimate business purposes, after which it may be permanently deleted in accordance with our data retention practices.

29. Disclaimers

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE," WITHOUT WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT. DRIVE247 DOES NOT WARRANT THAT THE PLATFORM WILL BE UNINTERRUPTED, ERROR-FREE, OR SECURE, OR THAT ANY DEFECTS WILL BE CORRECTED.

30. Limitation of Liability

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW: (A) DRIVE247 WILL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES, OR FOR ANY LOSS OF PROFITS, REVENUE, DATA, GOODWILL, OR BUSINESS OPPORTUNITY, ARISING OUT OF OR RELATING TO THESE TERMS OR YOUR USE OF THE PLATFORM, REGARDLESS OF THE THEORY OF LIABILITY AND EVEN IF DRIVE247 HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES; AND (B) DRIVE247'S AGGREGATE LIABILITY ARISING OUT OF OR RELATING TO THESE TERMS OR THE PLATFORM WILL NOT EXCEED THE TOTAL SUBSCRIPTION FEES PAID BY YOU TO DRIVE247 IN THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO THE CLAIM.

31. Indemnification

You agree to defend, indemnify, and hold harmless Drive247, its officers, directors, employees, and agents, from and against any and all claims, liabilities, damages, losses, and expenses (including reasonable attorneys' fees) arising out of or in any way connected with: (a) your rental business operations; (b) any rental, Renter interaction, or dispute involving a Renter; (c) Customer Data or other data you upload or submit to the Platform; (d) your breach of these Terms; or (e) your violation of any applicable law.

32. Platform Changes

Drive247 may, at its discretion, modify, improve, add to, remove, or replace features or functionality of the Platform at any time, provided that Drive247 will use reasonable efforts to avoid materially reducing core functionality that you are actively paying for without reasonable notice.

33. Changes to These Terms

Drive247 may amend these Terms from time to time. Where changes are material, Drive247 will provide reasonable notice (for example, by email or in-Platform notice) before the changes take effect. Your continued use of the Platform after the effective date of any change constitutes your acceptance of the revised Terms. If you do not agree to a change, your sole remedy is to stop using the Platform and cancel your Subscription.

34. Governing Law & Dispute Resolution

These Terms and any dispute arising out of or relating to them will be governed by, and construed in accordance with, the laws of [Governing Law Jurisdiction], without regard to conflict-of-laws principles. The parties consent to the exclusive jurisdiction of the courts located in [Venue] for any dispute not otherwise subject to arbitration.

35. Compliance with Laws

Customers remain solely responsible for complying with all applicable federal, state, and local laws and regulations relating to their rental business, including but not limited to consumer protection, motor vehicle rental, insurance, tax, employment, and data privacy laws.

36. Force Majeure

Drive247 will not be liable for any delay or failure to perform its obligations under these Terms resulting from causes beyond its reasonable control, including acts of God, natural disasters, war, terrorism, labor disputes, internet or telecommunications failures, or failures of Third-Party Services.

37. Confidentiality

Each party agrees to use the other party's Confidential Information (information reasonably understood to be confidential given its nature and the circumstances of disclosure) solely to perform its obligations under these Terms, and to protect it using at least the same degree of care it uses to protect its own confidential information, but no less than a reasonable degree of care. This Section does not apply to information that is or becomes publicly available through no fault of the receiving party, or that is required to be disclosed by law.

38. Electronic Acceptance

The Customer agrees that electronic acceptance of these Terms — including by creating an account, clicking "I Agree," or otherwise proceeding past a point where these Terms are presented — has the same legal effect as a handwritten signature, to the fullest extent permitted by applicable law.

39. Electronic Communications

By using the Platform, you consent to receive operational notices, invoices, and legal notices electronically, including by email or through in-Platform notifications. Electronic communications satisfy any legal requirement that such communications be in writing.

40. Assignment

You may not assign or transfer these Terms, or any rights or obligations under them, without Drive247's prior written consent. Drive247 may assign these Terms without your consent in connection with a merger, acquisition, corporate reorganization, or sale of substantially all of its assets.

41. No Waiver

No failure or delay by either party in exercising any right under these Terms will operate as a waiver of that right, nor will any single or partial exercise of a right preclude any other or further exercise of that right.

42. Severability

If any provision of these Terms is held to be invalid, illegal, or unenforceable, that provision will be limited or eliminated to the minimum extent necessary, and the remaining provisions will continue in full force and effect.

43. Entire Agreement

These Terms, together with the Privacy Policy and any other documents expressly incorporated by reference, constitute the entire agreement between you and Drive247 regarding the Platform, and supersede all prior or contemporaneous agreements, communications, and proposals, whether oral or written, relating to the same subject matter.

44. Survival

Provisions relating to Intellectual Property, the Licence to Use the Platform, Limitation of Liability, Indemnification, Confidentiality, and payment obligations accrued prior to termination will survive any termination or expiration of these Terms.

45. Beta Features

From time to time, Drive247 may make beta, preview, or early-access features available. Such features are provided "as is," may be modified or withdrawn at any time without notice, and are excluded from any service-level commitments Drive247 may otherwise offer.

46. Feedback

If you provide Drive247 with feedback, suggestions, or ideas about the Platform, you grant Drive247 an unrestricted, perpetual, royalty-free right to use that feedback for any purpose, without any obligation or compensation to you.

47. Marketing & Publicity

Drive247 may identify the Customer as a user of the Platform, and may display the Customer's name, logo, and publicly available business information on Drive247's website, marketing materials, case studies, and investor materials, unless the Customer objects in writing, in which case Drive247 will cease such use within a reasonable time.

48. Independent Contractors

Nothing in these Terms creates a partnership, joint venture, employment, or agency relationship between you and Drive247. Neither party has the authority to bind the other or to incur obligations on the other's behalf.

49. Notices

Notices to Drive247 must be sent to support@drive-247.com. Notices to you will be sent to the email address or in-Platform contact details associated with your account. Notices are deemed given when sent, except that notices of termination or breach must also be confirmed by a method providing proof of delivery where legally required.

50. Contact

Questions about these Terms may be directed to:
